REAL ESTATE

FINE PROPERTY SOLD.

B. B. Lister & Son, real estate brokers, have sold for Philip S. Smith to Charles W. Kolb, the large brick residence with garage, pool, garden, etc., at 405 Gowen avenue, Mount Airy. The property occupies a tract of four acres with front on Gowen avenue, Crutchen street and Rumsford street. It is assessed for the present year at \$37,000. The consideration paid is not disclosed. William C. Benkert represented the purchaser in the negotiations for the sale.

FINE HOMES AT ALLEN'S LANE

The row of handsome dwellings on the east side of Creshelm road between Allen's lane and Durham street, directly opposite Allen's Lane Station, which was begun about one year ago by Stanley R. Smullen, is rapidly nearing completion. Several of the eight houses in the cooperation have already been disposed of. The houses are among the finest recently built in Germantown. They are in different styles of architecture, occupying lots 47 feet by 200 feet, separated by hedges.

HIGH PRICED LAND FOR CITY.

Mayor Reburn points out the advantages that the city will derive by the purchase of the tract of ground located at the Alhambra Hotel site on the Bustleton pike, near Linden avenue, in the Forty-first ward. Council Finance Committee has recommended an appropriation of \$135,000 to the Mayor for the purchase of this land.

The city will buy the entire tract comprising about 142 acres," said the Mayor. "It is true that Peter E. Costello, Common Councilman from the Forty-first ward, owns a part of the property, that part upon which the mansion stands and about nine acres of ground. The tract was assessed at \$36,000 and then was reduced to \$50,000, but the point is, not how much somebody sold it for, but what it is worth now. I believe that the price that the city is paying for it is a fair price. The site is an ideal one for some of the feeble-minded. By the expenditure of a few thousands of dollars the house can be put to use immediately.

AWARDS ARE HIGH

City Solicitor Alcorn to Appeal Verdict of Road Jury.

What is expected to have a determining influence on excessive land damage verdicts in an appeal to be taken by City Solicitor Alcorn from awards, aggregating \$120,000 made by a road jury in the widening of Castor road, from Oxford to Bustleton avenue, Philadelphia.

Mr. Alcorn, who was a personal beneficiary having been awarded \$2295 for land he owns and affected in the improvement, will include his own case in the appeal, and it is likely that his attitude will have an effect on the other awards. Mr. Alcorn takes the ground that the awards, including his own, is excessive beyond the values of the properties.

Mr. Alcorn owns 103 acres along Castor road, which he purchased at public sale from the Snyder estate on December 11, 1900, paying \$14,194 for the land. It is assessed at \$25,000.

The highest award made by the jury was for \$12,902, given Jesse W. Roberts, while Helen Gist was given one award for \$23,430 and another for \$23,110, and Charles F. Kindred \$10,956. Other awards were made in proportion to that given Mr. Alcorn.

Patrick Kilduff has sold his residence on Sycamore street, Newtown, to Mrs. Edward P. Hicks.

The Vanuxem property on Radcliffe street, Bristol, has been purchased by Joseph R. Grundy, for \$6000.

Plans are being prepared by Arthur B. Gray for a residence at Oak Lane, for D. S. Haney, to cost \$12,000.

DeArmond & Ashmead, architects, have completed plans for a three-story residence, 30 by 55 feet, at Oak Lane, for Peter Wolf.

Ell Morris, of Doylestown, has sold his farm of 39 acres and 87 perches in Doylestown township, to Joseph L. Sanner, et al., for \$3600.

J. Frank Poulton has started the remodeling of the Lewis property, on West State street, Doylestown, which he recently purchased.

The Oak Lane Park Building Company will begin work immediately on a three-story stone house at 2nd and 6th avenue, to cost about \$15,000.

Plans have been prepared by Horace Transhauser for alterations and two-story addition to his residence in Elkins Park, upon which builders are estimating.

Edward R. Kirk, as agent, has sold the farm of Charles S. Platt, in Upper Merion township, near Pineville, containing 78 acres, to Albert Rush, of near Wood Hill, at a price not made public.

The farm of Chilton C. Reeder, on the northern border of Newtown township, has been sold to William M. Cobb, of Riverside drive, N. Y. All the stock, crops and implements were included in the sale.

The Oak Lane Park Building Company has sold the three-story stone residence 310 65th avenue, lot 90 feet by 160 feet, to C. E. Dordridge for \$10,500, who will build a garage on the rear of the lot.

Stanley B. Smullen has conveyed to Edmund J. Bamberger the row of handsome dwellings on the northeast side of Creshelm road, north of Nippon street, and north of Mount Airy avenue, which were built about two years ago by Bamberger Bros. & Co. The consideration is nominal, subject to a mortgage of \$163,000.

\$50,000 FOR HOUSES AT LOGAN.

The lot at the southeast corner of York road and Clarkson avenue, 100 by 158 feet, extending to Park avenue, at Logan, has been sold by Horace Gross for Bernard Mann to Fredrick E. Aubel, for a nominal consideration. The purchaser will erect there several residences to cost \$50,000.

BUCKS PAYS BIG DAMAGES.

Turnpike Gets \$3554.06, About \$900 to Doylestown Property Owners.

Doylestown's two damage cases growing out of the condemning of the part of the Doylestown & Buckingham Turnpike Company's road in the borough and the widening of Shewell avenue, near Main street, were settled by the County Commissioners and the parties at interest on Monday afternoon.

The turnpike company settled for \$3554.06, which is the amount of the verdict and the costs and a few other things. A check for the payment of the claim was drawn.

The claim of the estate of the late Enoch M. Armstrong for the building taken at the corner of Main street and Shewell avenue, in Doylestown, was settled for about \$350 more than the verdict, or \$750.

Dropsy—

Given up by Doctor

"I had dropsy, and was told
by my family physician that
there was no chance for me. My
family also gave me up. My
limbs and body were swollen
one-third larger than natural,
water collected around my heart
and I had to be propped up in
bed to keep from smothering. I
took Dr. Miles' Heart Remedy
until I was entirely cured. This
was in 1902, and I am now able
to do any kind of work on my
farm. My cure was certainly
marvelous."

L. TURLEY CURD,
Wilmore, Ky.

Dr. Miles' Heart Remedy has
been wonderfully successful in
relieving heart trouble. Its tonic
effect upon the heart nerves and
muscles is a great factor in
assisting nature to overcome
heart weakness.

WILL SELL MEETING HOUSE

Friends' Neighborhood Guild Has Option on Ancient Building.

It is understood that the old Quaker Meeting House, a landmark standing at the corner of Fourth and Green streets, Philadelphia, is to be sold. It was offered on an option to the Friends' Neighborhood Guild, an organization devoted to the uplift of the poor, with headquarters at 151 Fairmount avenue.

At a meeting of Friends in the old church, February 15, it was agreed that the membership was too small to warrant the retention of the building as a place of worship. It was offered to the Guild for \$65,000, of which \$35,000 has been raised.

It has been learned that the Guild intends to renovate the building, and continue to use it as a house of worship.

HENRY AND BARTLETT TIE

Visiting wing shots made high scores at the big live-bird shoot of the Mineral Spring Gun Club, formerly the Jenkins Gun Club, on the new range of the association at this place last Saturday. Twenty-three men participated in the three events. Henry, of Lansdale, and Bartlett, of Hightstown, tied for high score of the three events, each man killing 20 out of 22 birds shot at. The summaries follow: First event, five birds—Henry 5, Bartlett 4, Clark 3, Patterson 3, Hout 1, Haas 2, Ducklow 3, Carney 4, Lehr 7, Shoemaker 4, Cornell 3, Myers 4, Doctor Larsele 1, Weaver 1, Wolf 1, Kenneth 1, Berk 2, Hiltelbert 3, Nash 4.

Second event, seven birds—Henry 6, Bartlett 7, Clark 5, Patterson 7, Hout 4, Haas 4, Ducklow 6, Carney 5, Lehr 7, Shoemaker 4, Cornell 3, Myers 4, Doctor Larsele 6, Weaver 5, Wolf 4, Kenneth 2, Beans 1, Niblock 3, Pier 3.

Third event, ten birds—Henry 9, Bartlett 9, Clark 10, Patterson 5, Hout 7, Haas 7, Ducklow 8, Riley 6, Doctor Larsele 7.

Several in this section have been summoned to appear in court next week. William H. Raiser, mason and plasterer, has a large force of men at work on buildings in Hightstown. The Albert Mann sale conducted by Henry C. Biddle on last Monday was an entire success. Ten cows sold from \$60 to \$81, making an average of about \$70 apiece. Chickens brought as high as \$2.10 apiece and corn sixty-two cents, and everything else in proportion.

The Willow Grove-Ablington W. C. T. U. will hold its monthly meeting on next Tuesday afternoon, March 7th, 2:30 at the home of Mrs. W. A. Boucher, Horace avenue, Ablington. As the newly drafted constitution will be read and explained at this meeting it is hoped there will be a large attendance of members. The topic of the afternoon, "Political Action Necessary," will be discussed by Mrs. Baum.

WOUNDED WIFE, SHOT HIMSELF

Policeman Attempts Suicide After Accidentally Injuring Woman.

Overwhelmed with grief because he accidentally shot his wife while cleaning his revolver last Tuesday evening, John Brown, a reserve policeman, residing at Ober, turned the weapon upon himself, and both are now in St. Luke's Hospital with serious wounds. According to the police of the station, who investigated the case, Brown was cleaning the revolver in his home, 4932 N. 6th street, preparatory to having it inspected. The pistol suddenly exploded, the bullet entering Mrs. Brown's breast. She fell to the floor and when the policeman realized what had happened he shot himself twice in the abdomen.

In an adjoining room were two small daughters, who ran screaming into the street. Bramble, a policeman, went to their aid. He found Mrs. Brown unconscious on the floor, while her husband lay in a semi-conscious condition on the bed. Later an antemortem statement was obtained from Brown to the above effect. The police say they have every reason to credit his statement. The woman has not regained consciousness.

Brown has been ill for two months. It is said, but intended to report for duty.

Now can a man expect his wife to be interested in his business when half the time he doesn't know the color of her last new dress?

A woman can straighten up a man's desk in five minutes so effectively that he won't be able to find anything he wants in five hours.

In a runaway of a double team near the residence of Samuel Lapp in Warrington one of the horses was seriously injured. The team belonged to Elmer Bishop, baker, of Chalfont, and Mr. Bishop was driven the horses and they started to run. Mr. Bishop was thrown out, but escaped injury.

George Plunkett is now residing in the city. We miss his presence amongst the boys.

Mr. and Mrs. Pierce and child, of N. J., are visiting at the home of Mrs. Pierce's parents, Mr. and Mrs. William Magrath, Woodland avenue. People are making the usual inquiries for homes, and several changes are anticipated. A building boom would solve the problem, as the houses vacated are soon occupied.

The members of the McKinley A. C. were given a surprise after the regular meeting of club last Friday, by a big party given by George Gelsater, in honor of his birthday. It was enjoyed very much.

The fire company gave a supper in the schoolhouse on Thursday evening 23rd. Music by the fife and drum corps, accordion and violin soon had the merry whirling of dancing. \$45 was realized.

Splendid for the Blood

"Being all run down last spring I was advised to take Pinkham's Blood Purifier. I tried one bottle, and got such quick relief that by the time I had taken three bottles I felt like a new person. After taking the medicine I gained twenty pounds in three months."—AARON WINSTON, 60 Washington Street, Lynn, Mass.

At this season of the year almost every one needs a reliable blood purifier or spring medicine. This is indicated by that tired, "dragged-out" feeling—humors and eruptions which appear on the face and body,—and unless the blood is purified and enriched more serious consequences are liable to follow.

Pinkham's Blood Purifier

The best spring and blood medicine, is prepared by the Lydia E. Pinkham Medicine Company, of Lynn, Mass. You know this Company. You know that Lydia E. Pinkham's Vegetable Compound is the standard medicine for women; your common-sense tells that the company which owns so successful and valuable a medicine as that could never afford to risk its reputation by putting on the market any other medicine not of the same high degree of excellence. When you buy medicine prepared by this company you get the best, and Pinkham's Blood Purifier is The Best.

ALL DRUGGISTS SELL IT

WHY DON'T YOU TRY IT?

House Authorizes Exchange for Property Near Reading Station.

The House of Representatives at Washington authorized an amendment on the sundry civil bill last Saturday, authorizing the Secretary of the Treasury to exchange the site purchased at Bristol, Pa., for a postoffice for another near the new station of the Pennsylvania Railroad, the station near the old site having been moved half a mile. The appropriation for the bill is \$40,000, which is continued.

Representative Wagner brought the matter up at a time when the entire building section of the bill had been completed, and Mr. Tawney, in charge of the bill, was loath to admit any amendment for fear that many others would be sprung on him. But Mr. Wagner handed Tawney a personal letter from Secretary MacVeach to Tawney asking him to allow the change, and the Minnesota member yielded gracefully. The amendment went through without causing any stampede of building amendments.
